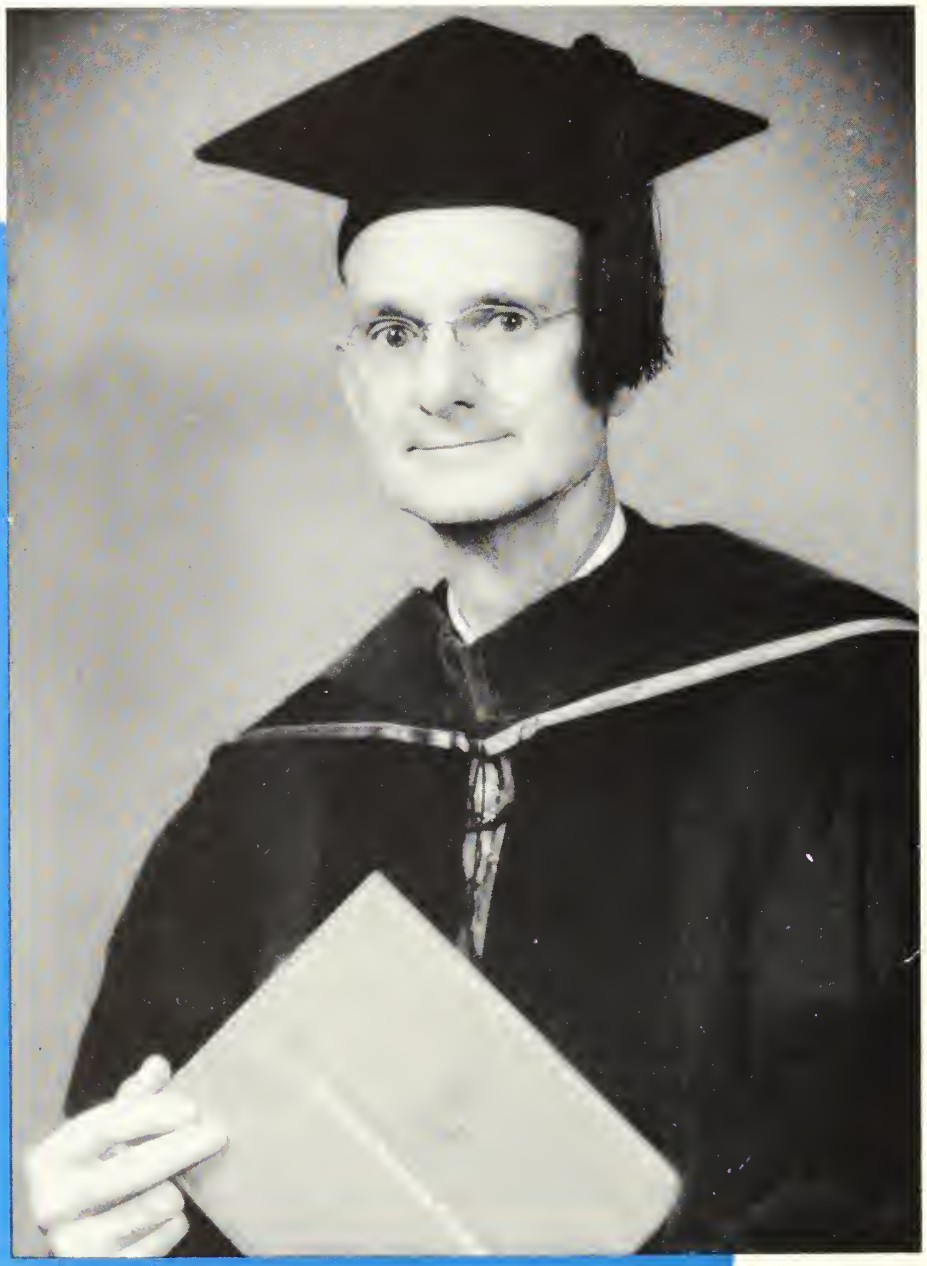
PRESIDENT'S MESSAGE



TREVECCA NAZARENE COLLEGE

NASHVILLE, TENNESSEE

February 1, 1954

OFFICE OF THE PRESIDENT

Dear Trevecca Student:

The Lord will lead those who will follow Him. He does not always lead us directly but calls out leaders for us to follow. St. Paul admonished his church members to follow him as he followed Christ. I commend you to follow your pastor, your teacher as they followed Christ.

If you learn to follow, you will become worthy to be followed. Thus, God will send you to be leaders in the work of the kingdom. I trust you will be willing that God will send you as far as your preparation prepares you to go. Do not go beyond your ability and training. Yet, do not shirk and accept the task that someone with less training and ability can do.

The promise of God is that He will be with you even unto the end of the world. Do not worry about God's blessings upon you as you work in the vineyard of the Lord. He is more interested in your success than you or we can possibly be.

May the goal of your life be to serve the Lord in the beauty of Holiness. Some people must be driven like slaves to their work. Trevecca students have the reputation of pressing their claim for opportunities to be of service to Trevecca, to the Church of the Nazarene, and the kingdom of God. I trust that you will go out with even a greater zeal to be used of the Lord.

Yours for a greater Trevecca,

STUDENT GUIDANCE

Trevecca's Counseling Program is now in its second year under the direction of the Dean of Students. It represents an effort of the college to meet the individual needs of the students. This presentation cannot fully depict the counseling that is done in a Christian College such as ours. In the words of Dr. Samuel Young, "Our counseling is more than a system of a profession; it is a love that is born at the worth of a soul."

An outline of our program would include Freshman Counseling (personal and group), counselors for special areas and Dormitory Counselors, and of course our regular administration continues to make a most vital contribution in the realm of personal guidance.

STUDENT

Sammy Phipps and Dolly Smith, High School Representatives

During the opening Convocation week we found ourselves in the beginning of a grand year under the outstanding leadership of our Student Council president, Charles Duckett.

With long and genuine interest in the activities of the Council and leadership and example among his highest qualities, and under the influence and guidance of Dr. L. P. Gresham, the council again proved the success of student government.

Interesting Friday night programs, the publication of a revised student handbook, sponsorship of the Student Council Lectures with a well-known speaker, initiation of class projects and a well-working point system are all marks left by this year's council, pointing to the accomplishment of the goal to uphold and maintain the ideals and standards which have long prevailed at Trevecca.

Making assignments . . . adjusting column length . . . finding descriptive, summarizing headlines . . . corrections . . . rush to the printer . . . are but a few duties of our loyal editor of **Trev-Echoes,** Juanita Orndoff.

News of elections, chapel and program reviews, revival forecasts, sportscope, global glimpses of world happenings, events of local interest were all used in painting an editorial picture of life at T. N. C.

In the end we heard the resounding words, ". . . we will honor and we'll love her, we will stand for right . . ." truly the ECHO of Trevecca.

Unmet picture appointments . . . changes in "dummy" . . . sleepless nights thinking of new unposed poses . . . pictureless deadline . . . ad chasing and layout . . . tired fingers and headaches all fade away from thought as we see the completion of an attempt to bring you campus life as we have seen it. If in each picture half forgotten memories are revived and once again the excitement and feeling comes back as you walked along to classes, were encouraged in chapel, participated in sports, ate in the dining hall or expressed yourself in the unbroken circle of fellowship of the young, we will then consider our job well done. The 1954 **DARDA** . . . ambassador to lands unseen ahead and to trodden paths which lay behind.

It took the faithful efforts of the entire staff to produce the 1954 **DARDA.** To Virginia, our assistant, "thanks" for standing by in its earliest development. We admire Carol Anne, literary editor, for becoming "right-hand-man," listening to problems with a sympathetic ear, writing manuscript that was "different," and doing countless other odd jobs when you had a million other things to do in your remarkable

extra-curricular life. Appreciation goes to Wendell for fulfilling the title of club editor, sending pleas to prexys to turn in information. To Anna and June we are indeed grateful for the hours spent interpreting illegible, handwritten copy and letters and typing them up in good style and to Rose for adding that "artistic touch." Bill, you deserve a mighty "thanks" for taking care of the high school section. Wayne and Dave, you did a fine job. Without you, Lou and Willard, we just couldn't have made it. Our appreciation and thanks go to Mrs. K. W. Phillips for her kindly advice and to Mr. V. N. Richardson for his money-saving techniques.

Our empty chairs, cluttered, glue streaked desk and well-used Royal go to next year's editor and business manager. We are looking forward to the greatest yet.

CHAPEL SPEAKERS

Chapel time at T. N. C. has proved a time of great blessing and worth to the soul. Here we may hear the voices of God's annointed ringing out for Him. A great variety of personalities and their messages have shown us that we need not all be alike but in God's kingdom there is a place for each of us. When the bells ring out at 11:00 o'clock each morning we make our way to the chapel, knowing something inspiring awaits us. Chapel is a part of each student's life and the students are a part of chapel. When the Holy Spirit comes upon the scene, students are given the opportunity to give vent to their feelings. Testimonies are always welcome and the altar is open for those desiring spiritual help.

YEOMEN
L. Finger, P. Schurman, G. Keys

Our quartets and trios under the supervision of Rev. C. E. Keys, Sr. and Mrs. C. E. Keys, Jr. make a vital contribution toward the representation of our college. It is largely through their efforts that many on the Southeastern Zone make a direct contact with Trevecca.

In addition there is request for these groups for week-end revivals and special meetings from the various churches.

Much work is carried on during the summer months also for there is representation to all the states on the zone.

An important part of any educational program is the phase known as physical education. The Men's Athletic Association is an organization so designed as to promote this part of college life.

Although T. N. C. does not participate in intercollegiate sports we do have a well organized intramural program. Under the guidance of the M.A.A. the sports program at Trevecca this year has been successful. Emphasis has always been on good sportsmanship and Christian attitudes.

FOOTBALL

Few will soon forget the 1953 "pigskin" season at T.N.C. The teams were well organized and well balanced. No place other than first place in the standings was decided until the final game.

One team came through undefeated, the Sophomore Lions, but their record was marred by a 0-0 tie by the Freshmen.

The season was climaxed by the All-Star game Nov. 24th. The championship team plays a team composed of stars from the other teams. The game was played on a muddy field and fumbles were numerous. The game ended in a tie. Sophomores 8, All-Stars 8. A thrilling game and a perfect ending for T.N.C.'s best season.

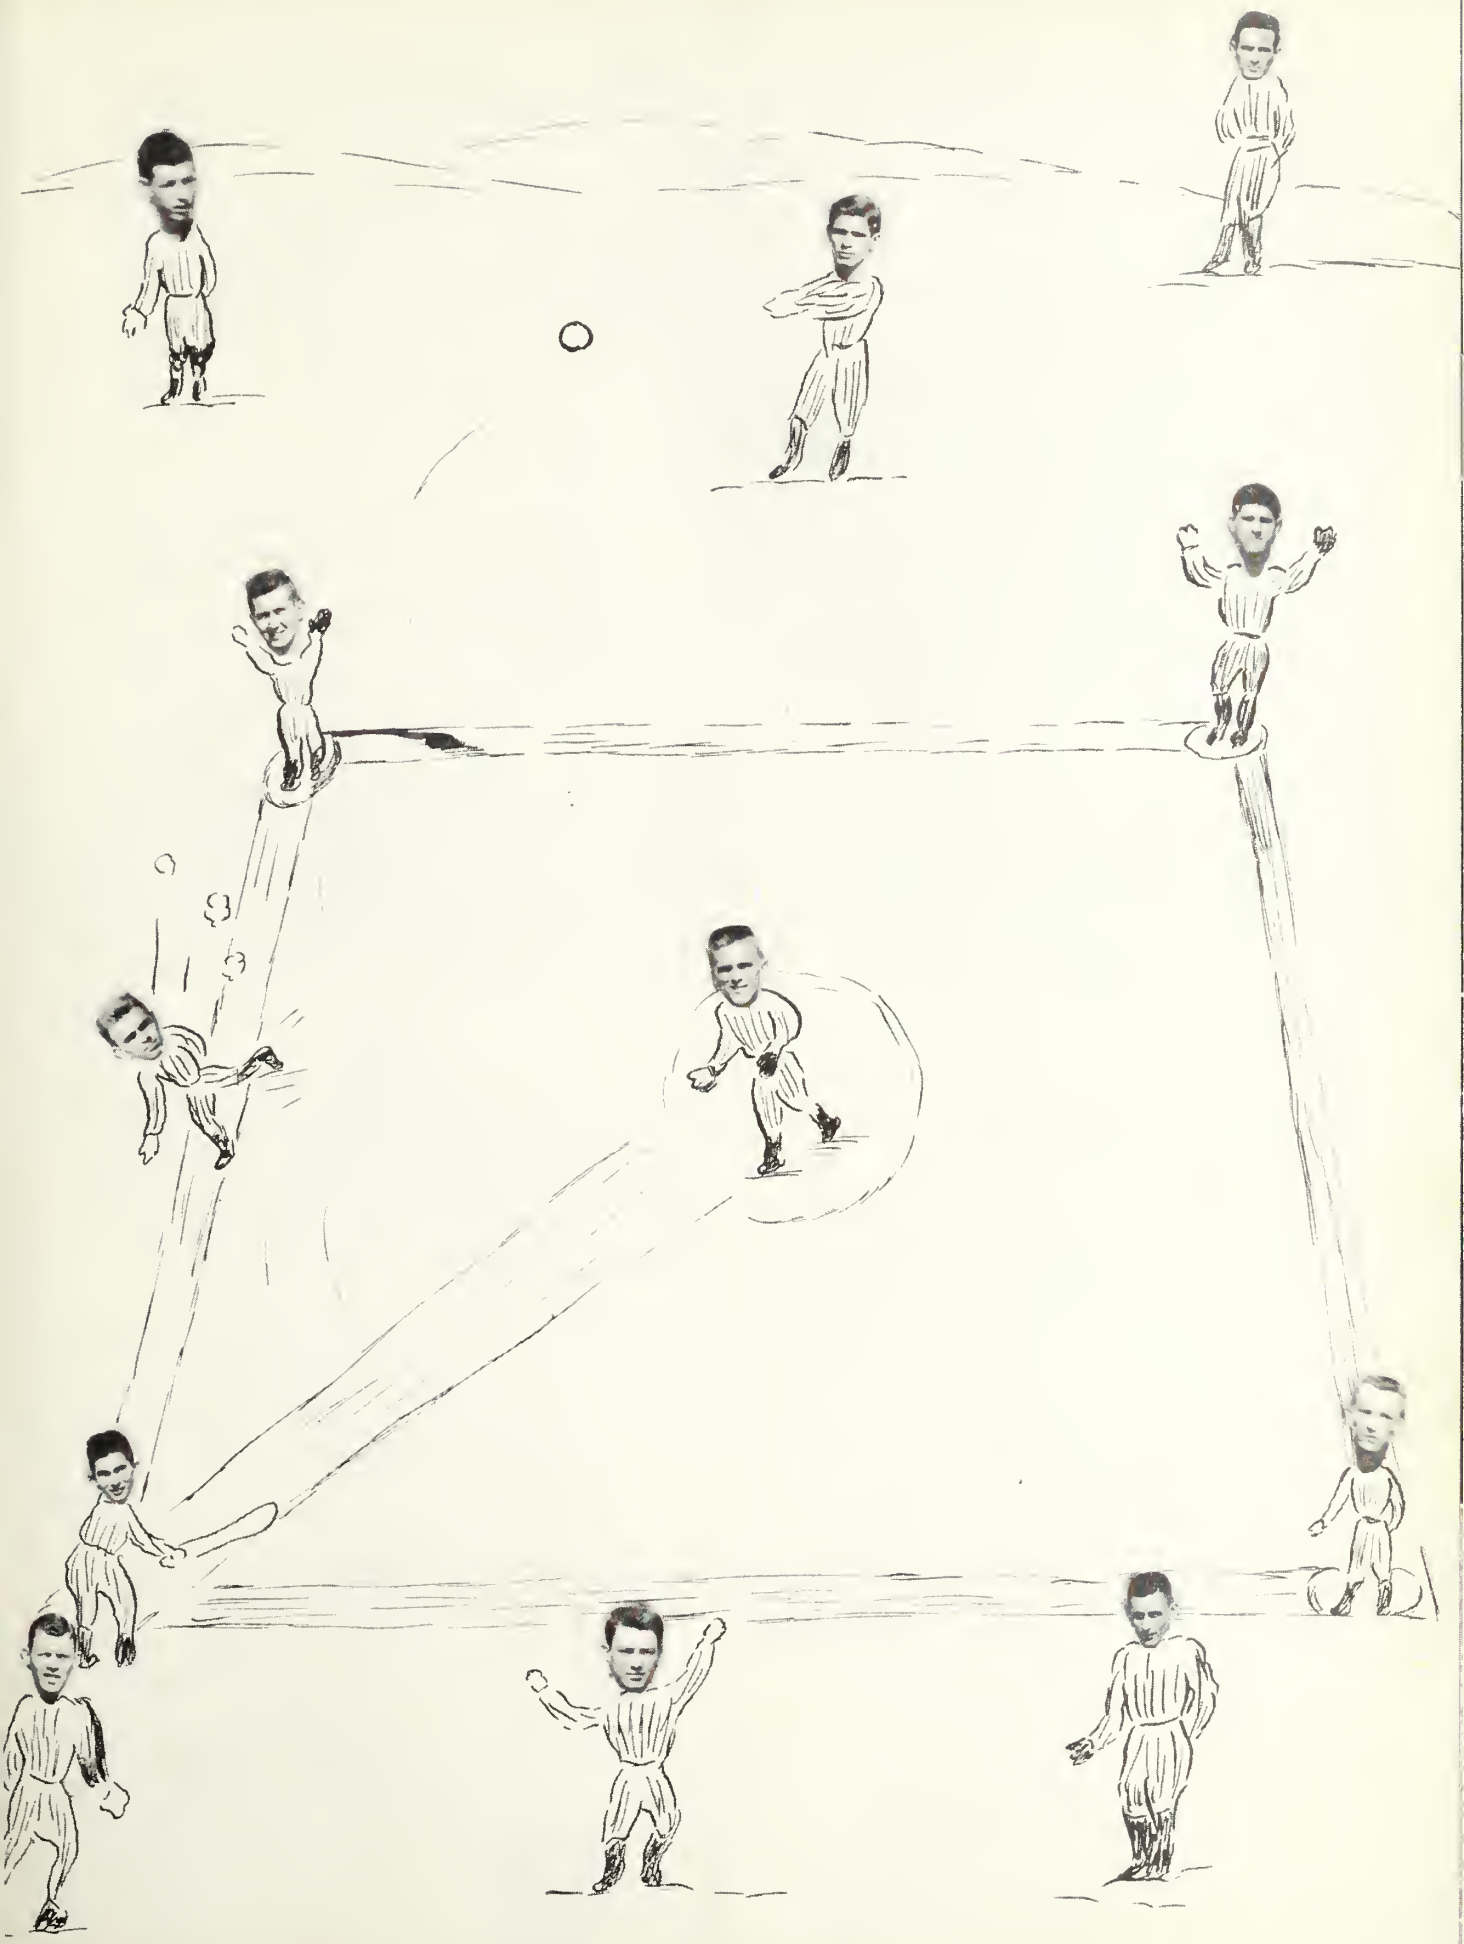
ALL-STARS



BASKETBALL

This has been the most successful basketball season in Trevecca's history. The evenly matched teams and the enthusiastic support of the students are reasons given for this colorful, high-spirited season. Each team had at least one outstanding player and all the games were close ones. Several were decided by one or two points and two games went into overtime.

The Sophomore "Lions" finished with the best record and were crowned champions. The League Championship was not decided, however, until after the regular season as the freshman "Green-Wave" in the last season game moved into a first place tie with the sophomores. In the play-off game the sophomores won 48 to 38 to climax T.N.C.'s best basketball season.

GIRLS' BASKETBALL

The 1953-'54 basketball season at T. N. C. has been one of many thrilling games and will be remembered as a milestone in girls' basketball here. This has been the first season they have completed their full schedule. This year also marks the first time the girls have scheduled and completed a tournament.

The officers of the G. A. A. are to be congratulated in their successful promotion of girls' basketball. Mrs. L. P. Gresham's loyal support was another factor in the success of this season in basketball.

BOOSTERS

This year as in the past your staff has endeavored to provide students, faculty, and friends of T.N.C. with a true representation of life as we have lived it at Trevecca in 1953-54. Although the persons whose names appear below did not sit in classes, attend chapel, eat in the cafeteria nor witness our athletic events, they did contribute to the success and happiness of us who enjoyed these opportunities. They are BOOSTERS OF THE YEAR FOR T.N.C.
